

REQUEST A PEER TUTOR

UTSSA PEER TUTORING

The UTS Students' Association provides a Peer Tutoring service for UTS students.

Peer Tutors are UTS students who have completed a subject at UTS with a result of Credit, Distinction or High Distinction, and are willing to help other students. Most tutors charge \$25 per hour, paid directly to the tutor by the student, at the end of each lesson.

If you wish to apply for a tutor, please complete this form and return it to the Students' Association in person, or email a copy to students.association@uts.edu.au.

Once we have received your form we will email you a list of students who tutor in your subject(s) and their contact details. Please note, we can only send tutor details to a UTS email address.

You can contact the tutor(s) directly to discuss availability and payment. We recommend meeting in a public place such as the UTS Library. If you wish, you can also discuss the specific areas you need help with and what format you would like the tutoring session(s) to take.
