UTSSA Peer Tutoring Program REQUEST A PEER TUTOR

The UTS Students' Association provides a Peer Tutoring Program for UTS students.

Peer Tutors are UTS students who have completed a subject at UTS, with a result of Credit, Distinction or High Distinction and are willing to help other students. Most tutors charge \$25 per hour, paid directly to the tutor by the student, at the end of each lesson.

Please complete this form if you wish to apply for a tutor.

Once we have received your form, we will email you a list of students who tutor in your subject(s) and their contact details. Please note, we can only send tutor details to a UTS email address.

You can contact the tutor(s) directly to discuss availability and payment. If you wish, you can also discuss the specific areas you need help with and what format you would like the tutoring session(s) to take.
